

RESOLUTION NO. 09-030

A RESOLUTION REQUESTING THE GENERAL ASSEMBLY TO CREATE THE LOWER CHATTAHOOCHEE REGIONAL TRANSPORTATION AUTHORITY; REPEALING ALL RESOLUTIONS IN CONFLICT HEREWITH; AND FOR OTHER PURPOSES.

WHEREAS, it is vital to the citizens of Clay County that the County provide an efficient and effective transportation system for the citizens of the County; and

WHEREAS, operating and maintaining roads, bridges and other transportation facilities in the County has become increasingly expensive and difficult to provide in a manner commensurate with the required needs of the County; and

WHEREAS, after careful study and deliberation it has been determined that the joint delivery of transportation services by adjoining counties on a regional basis would provide for the more efficient and economical delivery of transportation services to the citizens of Clay County and the surrounding area; and

WHEREAS, Calhoun, Clay, Quitman, and Randolph Counties have determined to cooperate for the greater good of the entire region by sharing assets and sharing services and benefits within the region; and

WHEREAS, after careful study and deliberation it has been determined that creation of the Lower Chattahoochee Regional Transportation Authority would greatly enhance the ability of each of the member counties to meet the transportation needs of the county.

NOW, THEREFORE, BE IT RESOLVED by the Clay County Commission as follows:

**Section 1.** Representative Gerald Greene, Representative Bob Hanner and Senator Freddie Powell-Sims are respectfully requested to introduce the Act creating the Lower Chattahoochee Regional Transportation Authority in the General Assembly more particularly described in and attached hereto as "Exhibit A".

SO RESOLVED, this 3<sup>rd</sup> day of March, 2009.
